

# Shavano Academic Booster Club

## What's New with SABC?

*New headphones provided by SABC Teacher Grant*

Now more than ever, it's important to keep "normal" going strong when COVID 19 has made life anything *but* normal! The Shavano Academic Booster Club is a local non-profit organization that will continue to support students *as usual* for the 2020-2021 school year. Our only funding comes from generous donations.

## Student Recognition: *It's What We Do!*

SABC's mission is to recognize students for their efforts across all grades and all skill levels. Teachers nominate students each month for academic excellence, classroom participation and good citizenship. We place their photos around town, write an article for The Mountain Mail Newspaper and send letters of congratulations home to parents. Twice a year we hold an Awards Ceremony. We also provide Senior College Scholarships and Teacher Grants, all in the spirit of Student Recognition!

## 2020 SABC College Scholarships Winners:

**Finley Petit**

University of California Santa Barbara

**Madison Patch**

University of Colorado, CO. Springs

**Jacob Vold**

University of Northern Colorado

**Bowman Russell**

University of Colorado, Boulder

**Elise Mishmash**

Minnesota State University, Mankato

**Jamison Batinich**
